

Who Knows but you lord

Maria Nordenback

Who knows but you, Lord... The way things are
Who knows but you Lord... The way things have been
Who knows but you Lord... The way things will be
And You say don't worry, just give your life to me.

Come to me and rest....
Come to me and rest your soul.
I will give you peace....
Just give your life to me...
Just give your life to me....
Just give your life to me....
